Dear Patient,

We welcome you to our practice as a new patient and thank you for choosing Palomar Neurosurgery Center.

For your convenience, and to minimize waiting time in our office, we have enclosed forms for you to complete prior to your visit. Please take a few minutes to fill these out in entirety and bring them with you on the day of your appointment.

To best care for you please bring the following records and films to your appointment:

- New Patient Paper Work
- Insurance Cards
- Doctors Notes, Radiology Reports and Lab Work of any treating physicians that you think would help in your continuation of care
- MRI – Films and Reports
- CT Scans – Films and Reports
- X-Ray – Films and Reports

The following is a list of imaging centers in order to help you get your films, please call them as soon as possible to arrange a time for you to pick up your films. This is not a complete list of all the radiology centers, if you have had tests done at other facilities, please call that facility.
